Committee Chair, Senator Patterson,
900 Court St. NE, S-215,
Salem, Oregon 97301

Dear Senator Patterson, Vice chair Hayden, and committee members,

I am writing to express my strong support for SB 584 for Health Care Interpreters. I believe that this legislation will save healthcare providers and the state money by having one system for scheduling, and will drastically reduce the complexity of using multiple scheduling systems for Health Care Interpreters. The interpreters would have one less distraction so they can focus on the work at hand.

The Oregon Association of the Deaf strongly supports this legislation and we ask that you vote in favor of SB 584 for Health Care Interpreters. Thank you for your consideration.

Sincerely,

Adam Logan
