

Submitter: Coltra Lierman

On Behalf Of:

Committee: House Committee On Early Childhood and Human Services

Measure: HB2457

I work at an amazing agency that does their best to support not only those who need services but their employees as well. Direct Support Professionals at PCL are hardworking and dedicated individuals that put their heart into their work. They all deserve a living wage so that they can also live full and happy lives. Increasing the minimum wage for Direct Support Professionals would mean so much to so many people, please support HB2457, thank you.
