Measure: SB548

Hi! My name is Justel Unciano & I support Oregon SB548. There are better ways to care for & support our vulnerable foster care children & their belongings other than by utilizing a trash bag during a very tragic separation in their lives.

As a teenager, I was taken into foster care from school, with the clothes on my back & given a teddy bear. I felt scared & confused. I was then transported from one place to another.

If given a duffel bag & especially a courage card, it may have given me hope, something to hold on to & a good sturdy bag to keep things in and call my own. I am a supporter of Project Never Again & truly believe in the mission.

Thank you for listening, for your time & support.
