

Submitter: Jessica Sturdivant

On Behalf Of:

Committee: Senate Committee On Human Services

Measure: SB548

When I learned that children were using trash bags to transport their belongings to enter foster care, I was appalled. I am a Montessori educator, and have been working with children professionally since 2008. My young daughter and I have volunteered with Project Never Again several times over the past few years. This bill would make a tremendous impact on the lives of countless children.
