On Behalf Of:

Committee: Senate Committee On Human Services

Measure: SB548

Dignity through Duffels

We are standing in the gap to not only help provide bags to thousands of children, but to create a systemic change within our Child Welfare Division.

A system that somewhere along the way failed to recognize the impact trash bags can have on children in foster care.

Humiliated, abandoned, unwanted and simply garbage are a few words our former foster youth have used to describe how this practice made them feel.
