

Submitter: Jodi Whitley

On Behalf Of:

Committee: Senate Committee On Human Services

Measure: SB548

I support SB548 because NO child should ever be required to live out of a garbage bag when taken into foster care system, and experience such demoralization and devaluation in such a horrific and traumatic moment in their lives. I was a foster parent and this bothered me. They don't deserve what that speaks to them, or how that makes them feel. Please, no garbage bags for children in the DHS system-ever! Thank you.
