

Submitter: Nels Vulin

On Behalf Of:

Committee: Senate Committee On Human Services

Measure: SB548

Hello,

My name is Nels Vulin and I am a attorney and father in Portland. I urge you to support SB 548. This measure would provide Oregon's most vulnerable children with a small measure of self-worth and hope in a potentially catastrophic time in their lives. You can send a message to the children in Oregon's foster care system that they matter, they are loved, and that their communities care about them. Please vote yes on SB 548.

Thank you,

Nels Vulin
