

Submitter: Dre Williams

On Behalf Of:

Committee: House Committee On Climate, Energy, and Environment

Measure: HB2571

Owning an ebike for the past 5 years has allowed me to go farther around the city without a car. Rain or shine. Ebikes are great for everyone and are much less dangerous than cars. I've ridden over 10000 miles on my bike. I've biked for leisure, commuting to and from work, and for food deliveries. I am in full support of this bill.
