

Submitter: Heather Kragerud

On Behalf Of:

Committee: Senate Committee On Human Services

Measure: SB548

I support SB548 because this is a small step in the right direction to making foster children feel like they matter. Trash bags for children's belongings makes them feel abandoned, unwanted, uncared for, and discarded like the trash bags that hold their belongings. Giving them more dignity with a simple duffel bag is one step in the right direction to making them feel as supported as possible in a difficult time.
