Measure: SB548

I support SB548 because as a child I was in the foster care system. A child's world is in upheaval when you are being removed from your parents regardless of the situation. Giving a child a duffel bag instead of a garbage bag to put their belongings can help a traumatic situation a little easier. Think about what it feels like going to a car with nothing but your stuff in a trash bag and then walking into a new unfamiliar home holding a trash bag.
