Committee: Senate Committee On Natural Resources

Measure: SB70

Members of the Senate Committee on Natural Resources

Thankyou for allowing me to testify

My name is Dave Vanasche and along with my wife and son we own and operate Vanasche Farm LLC, a family farm at 36130 NW Wren Rd Cornelius, Oregon 97113.

We grow grass seed, wheat, clover seed and hazelnuts on 2350 acres of highvalue farmland in Washington and Yamhill counties. We are a fifth generation farm established in 1896.

We are opposed to SB70.

Oregon has a small amount of highvalue farmland and it needs to be used for growing food and fiber to feed Oregonians and the world. Highvalue farmland should not be used for non-farm uses, such as housing.

Highvalue farmland is a limited precious resource that need to be used for agriculture.

Please vote NO on SB70

Respectfully Submitted,

Dave Vanasche
