Measure: HB2457

I'm writing in support of HB 2457 that ensures DSPs get the wages they deserve, by moving wages 150% of minimum wage and covering the Paid Leave Oregon Payroll Expense. As a staff member at Albertina Kerr, I see the hard work of staff and the way they impact on clients each day with helping them to grow and become a good member in the community, as well as being supportive with their emotions and needs. DSPs, the people they support, and their families are counting on your support.
