

Submitter: Cassandra Frantz

On Behalf Of:

Committee: Senate Committee On Human Services

Measure: SB646

As a mother to three young children, I am writing in support of paid parent caregiving for disabled children. Allowing parents to be paid for the work they are already doing means both that the child will be supported by a trusted and loving adult and also that some of the huge financial burden placed on families with children with disabilities could be alleviated. Please pass this bill!
