

Submitter: Kristen Murino
On Behalf Of: Sarah Lemley
Committee: Senate Committee On Health Care
Measure: SB628

I think it's important that ALL families are able to get their children medical care and treatment for PANDAS/PANS. If the emotional and physical toll it takes on families affected by PANDAS/PANS isn't enough they then have to worry about how they will afford to get their children the care they need. This is critical healthcare and it needs to be treated as such and therefore covered under all insurance.
