

Submitter: David Wall
On Behalf Of: Mr Oregon Supports HB 3111
Committee: House Committee On Rules
Measure: HB3111

Wednesday [02.08.23]

[I SUPPORT [HB 3111].

Keep personnel records secured, even if the service is volunteered from being accessed through Public Record requests.

There are too many criminals and other freaks that may have mal-intent in their warped minds to cause harm to someone.
