Measure: SB548

There should be an open stock of appropriate "luggage" for children going into foster care. How one packs one's gear (or has one's things packed for them) is very important to one's self image. Trash bags for our kid's (possessions/world) as they are thrust into foster car is WRONG! Kiddos feel a bit safer with their stuff treated with respect as they begin a hard journey in their young lives.
