Measure: SB548

It is heartbreaking that such a measure is needed to do something that seems obvious, which is why, as a resident of downtown Salem and lifelong Oregonian, I strongly support SB 548. It should not be left to charity to ensure our most vulnerable children are provided a small amount of dignity. This is not a matter of liberal or conservative—It's a matter of basic morality. As a taxpayer and voter, I hope that the solution to our elected leaders is obvious: support SB 548.
