

I SUPPORT [HB 2669]. Use More Lottery Money...Steal it from "Regional Solutions!"

"Regional Solutions" hides-out in the fat, bloated and obese Office of the Governor.

Regional Solutions doles out Lottery Money to Counties for Economic Development purposes.

Oregon Schools ARE Economic Development Centers and Incubators.

*****Explain why the following pending Legislation was not referenced with [HB 2669]:**

"I SUPPORT [HB 2696].

The Text of [HB 2696] is below:

State Board of Sign Language Interpreters

This is another overdue screw-up of the Oregon State Legislature.

There should have been a State Board of Sign Language Interpreters many, many years ago.

Well, at least some of the Rip Van Winkles have awoken and now regret drinking beer with dwarfs.

At least you are remedying a lack of communication.

Good Job with [HB 2696]!

David S. Wall
Mr. Oregon Concurr."

Where in the Language of [HB 2669] the requirement to provide "Licensed Sign Language Interpreters and Teachers?"

While you're repenting of your sins...Allocate more Funds to the Oregon School for the Blind.

David S. Wall
Mr. Oregon Concurr...[HB 2669] and [HB 2696] should be linked together. What was the fate of [HB 3183 (2021)]?
