On Behalf Of:

Committee: House Committee On Early Childhood and Human Services

Measure: HB2457

My name is Heath Reams. I am writing in support of HB 2457 as this would set the DSP wage to a livable wage because DSP work is not minimum wage work! This career field is not easy; all of us DSPs do this work because we have a love for humanity; we have a calling to help the DD/IDD community and should be paid an appropriate wage.
