Measure: HB2510

I would like to submit my support of HB 2510. Living in a small town our fairgrounds are our "event" centers. The fairgrounds are an integral part of our community. Besides the fair, weddings, funerals, horseshows, rodeos, demolition derbies, fund raisers, holiday bazars and music events are held throughout the year. It is a place where our community comes together. People work hard farming and ranching, long days, 7 days a week, the activities the fairgrounds offer gives our community the chance to get together and take a break.

Also, being a small community, there is not a lot of extra money for maintenance and upgrades. The lottery money would go a long way to help our fairgrounds, the hub of our community activities.
