

Submitter: Michael Huntington

On Behalf Of:

Committee: Senate Committee On Health Care

Measure: SB704

I support SB 704 because it offers Oregon a chance to create a truly equitable, fair, and efficient healthcare system, one that provides better care for more people at a lower cost. I am a retired radiation oncologist who grew weary of seeing patients delay care and develop advanced cancers because they feared cost. We can do better. Michael Huntington MD
