

Submitter: Pat Wickwire

On Behalf Of:

Committee: House Committee On Economic Development and Small Business

Measure: HB2510

Our Hood River County Fairgrounds help many groups, but has helped me with my children in 4-H, for livestock, horses, craftsmanship, and meetings. The equestrian community has used the facilities, as well as our spring and fall festivals, and has served as an event center, especially since the county event site has been demolished.
