Water

Measure: HB2999

Dear Chair Helm, Vice Chairs Hartman and Owens, and Honorable Members of the
Committee:

Thank you for the opportunity to provide testimony of HB 2999.

I live in Central Oregon. Last year I hit a deer in Sunriver causing damage to my car.
I also had a near miss last November on Highway 20 between Bend and Sisters. I
was not injured. However, every car/deer accident most likely kills the deer and
leads to substantial costs both in dollars and time for humans.

I fully support any improvements that reduce the probability of hitting a deer/elk.

Sincerely,

Sally Dixon
