Re: HB2433

The Mount Angel Chamber of Commerce stand's with Oregon's small businesses who have been trying to survive and keep their doors open despite a global pandemic, workforce shortages, and rising costs of both goods and labor and benefits.

We ask you to support HB 2433 and to increase the exemption threshold for small businesses from \$1 million to \$5 million. This would provide much needed relief to so many small businesses who need our help now more than ever.

We urge you to show your support of small businesses and vote yes on HB 2433. Thank you for your consideration.

Sincerely,

Mt Angel Chamber of Commerce Board of Directors
