Measure: HB2915

Please consider supporting HB2915, legislation to prohibit future pet stores from selling puppies and kittens in Oregon. As a constituent I depend on you, my elected officials to represent my voice. I truly feel the majority of our district opposes, puppy mills, the source for these pet store sales. Let's together put an end to puppy and kitten sales in pet stores and protect animals from neglect and abuse, which so often happens in mass breeding situations. Animals deserve better!
