Measure: HB2585

hello Rules Committee

I can support HB 2585 as I remember things.

2013 we gave "Illegals driver license" people used the petition process to over turn that decision 2-1. in 2014 elections

Seems Motor voter was passed in 2015 and in 2016 the Legislature passed the Emergency Clause... looked as if the goal was to block voters from over riding the Legislatures will ? And in 2019 through Legislation the legislature voted "illegals" have a driver license ignoring the 2-1 vote of the people :(

Don't get me wrong... Immigration is and has been a good thing. but "Legal" and vetted immigration would have saved a lot of people from the open black market tactics

of people being abused by cartels to mule drugs over our borders and then be put in slave camps of illegal grow operations in Oregon.

I believe in RULE OF LAW... and Sovereignty. ( I don't think much of allowing Felons to vote either).

Carry on... and lets make Oregon respectable again.
