On Behalf Of:

Committee: House Committee On Economic Development and Small Business

Measure: HB2502

Please support HB 2502 and help small business stay in business and have a chance to be successful. Remember we are Oregon citizens who invested in our state run system, to sell distilled spirits for Oregon, Most of us gave up lucrative careers to have this opportunity. Please do not take it away from us, or allow changes to the current system that would impact our livelihood. All state agents and employees futures depend on you to make the right decisions. Thank you for all you do, please get behind us.
