

Submitter: Margaret Sarbacker  
On Behalf Of: Granddaughter  
Committee: Senate Committee On Health Care  
Measure: SB628

VOTE YES ON BILL 628 My name is Margaret Sarbacker and I am the Grandmother of an 18 year-old girl who has become disabled because of PANDAS/PANS. This has taken a toll on all family members. They are suffering from stress and financial worries. Please support senate bill 628 so my granddaughter can get the care she needs. Thank you.
