After personally witnessing the deplorable, inhumane conditions of puppies being sold at Critter Cabana in Wilsonville, I support this bill. These dogs were living in their own feces, in pens much too small to barley move, the employees told me they are not walked, and are not allowed to leave their pen. One huskie puppy was in complete isolation in a tiny pen. It is absolutely inhumane. Please support this bill to end the sale of kittens and puppies in pet stores.
