

Submitter: Frank Baccellieri

On Behalf Of:

Committee: Senate Committee On Human Services

Measure: SB548

Plastic bags while inexpensive and convenient are not adequate nor emotionally appropriate as a suitcase, backpack or the like. There are plenty of inexpensive backpacks, bags and travel bags that can be obtained. I suggest funds from the City's huge homeless tax reserves be earmarked for this. And that purchases be made only after options are examined for efficiencies and value and vendors are vetted as well.
