

Submitter: Sandra Getman

On Behalf Of:

Committee: Senate Committee On Human Services

Measure: SB576

This legislation gives our elected officials the help Oregonians with disabilities need to remove systemic barriers. It is a shame that a person with a disability, who is working, pays taxes and contributes to their community is being penalized with the possibility of loss of vital health care. This is just wrong on so many levels. Put yourself in their position, how would you like that to work for you?
