

Submitter: Katie James  
On Behalf Of:  
Committee: House Committee On Revenue  
Measure: HB2089

Hello,

I'm a Multnomah County Precinct Committee Person and tonight in our monthly meeting we learned of the House Bill 2089 which would redirect funding allocated for addiction and mental health services, funding that Oregon voters supported for these specific purposes. I urge you to vote in opposition to House Bill 2089.

Thank you.
