This is a song from the Portland Raging Grannies. I wish we had a recording but hopefully you'll know the tune and sing it!

How Do you Solve a Problem Like Insurance
(tune is How Do You Solve a Problem Like Maria from Sound of Music. Words by River)

How do you solve a problem like insurance?
How do you change a system that's unfair?
How do you solve a problem like insurance?
With single-payer MediCare!

Oh - many a corporation is uneasy.
Many a giant pharma's feeling scared.

But how can we really say,
It's great in the U.S.A.
When affordability is rare?

Oh - how do you solve a problem like insurance?
Only with single-payer MediCare!

How do you solve a problem like insurance?
Pharmacy prices fill us with despair.
How do you solve a problem like insurance?
With single-payer MediCare!

Oh - many a country has this kind of system..
Many a country treats its people square.

But here where we worship wealth
It's everyone for themself
We'd rather be unhealthy than to share

Oh - how do you solve a problem like insurance?
Only with single-payer MediCare!

Thank you, Joana
