I support HB 2585

And here is why.

- In 2013 OR gave "Illegals a driver license" Citizens used the petition process to overturn that decision 2-1 in the 2014 elections.
- In 2016 the Legislature passed the Emergency Clause... looked as if the goal was to block voters from over riding the Legislatures will, who could imagine that.
- In 2019 through Legislation the legislature voted "illegals" can have a driver license ignoring the 2-1 vote of the people. This is not the will of the people. There is no proof of legal citizenship requirement at DMV that the person is a legal citizen!!!! No one asks! Motor Voter registration is irresponsible! Lets make Oregon respectable again and clean up the existing voter rolls.
