On Behalf Of: Mr Oregon Opposes HB 2295

Committee: House Committee On Emergency Management, General Government, and Veterans

Measure: HB2295

Friday, {02.10.23}

I OPPOSE [HB 2295].

I SUPPORT our Disabled Veterans but, [HB 2295] disrespects their service, their sacrifice(s) of their health, for what? Read the "Text" of [HB 2295] and make an informed decision for yourself.

[HB 2295] is the most bizarre of all the [House Bills so far of (2023)].

How does one explain the construction of a "Major League Baseball Stadium?" Are the taxpayers aware of this project?

Note how many "other groups" will be given "preferential treatment" in the awarding of contracts.

All of the aforementioned " groups" have been listed for some time and now...someone gets religion and equates the, Disabled Veterans of the Armed Forces of the United States of America, with all sorts of politically identified disadvantaged groups.

The despicable political intrigues, associated with the awarding government contracts have gotten so bad, I wouldn't be surprised if a group of sexual deviants who, allegedly incorporate colored beads into the braiding process of their armpit hairs will also be defined as "disadvantaged" and thereby qualify for an award of a sweet government contract.

Once you don't treat people equally under the law, you substitute the law; for political expediency and or convenience and subsequently give license to injustice.

David S. Wall

Mr. Oregon Concur.
