Committee: House Committee On Rules
Measure: HJR4

No on HJR4! Do not amend the Oregon Constitution to allow for same-day voter registration. If an person waits until the last day to register, he obviously has not taken the time to research the people and measures on the ballot. There is not time to check to see if his eligibility information is correct and it will lead to more fraud in our elections. Many people already question the quality of our voting system as it is.
