Measure: HB2915

I'm writing to you in support of HB 2915. Oregon is the only market left open on the West coast to puppy-selling pet stores, now that our neighboring states have enacted pet store laws prohibiting the sale of puppies and kittens in pet stores. Oregon needs to end the puppy mill-to-pet store pipeline and continue to drive the statewide pet industry toward more humane sources such as shelters, rescues, and responsible breeders.

Please support HB 2915.

Thanks you.
