

Submitter: Steven Newton

On Behalf Of:

Committee: House Committee On Rules

Measure: HB2585

I support this bill to end automatic voter registration. As a resident of Oregon for over 6 decades, I have seen the State transition from a conservative majority to a progressive liberal majority. The automatic enrollment for voter registration is just another example of this change. It is ridiculous that the State decided some years ago to issue drivers licenses to illegal immigrants who then could falsely register for voting. Therefore I am against continuing the automatic registration for voting.
