Re: SB 754 Recreational Liability Reform

Dear Chairman Prozanski and Members of the Committee:

I am writing this letter regarding support of SB754. Our mountain bike club, The Disciples of Dirt continually strives to provide opportunities for the public to engage in recreational activities promoting responsible use of public land.

Currently, it has come to our attention that the unenforceable waiver laws currently in effect in the state of Oregon, may leave us open to litigation by citizens attending and participating in our events. These laws need to be changed, so that organizations like ours, and many others can offer new recreational experiences for the public.
