On Behalf Of: Mr Oregon Opposes SB 634
Committee: Senate Committee On Natural Resources
Measure: SB634

Saturday, [02.11.23]

I OPPOSE [SB 634].

The Oregon Legislature is addicted to using Lottery money for other programs than Education. Typical political Bulls** say one thing and do whatever you feel you can do to buy votes and either get elected or even worse...get re-elected.

I SUPPORT the need to FUND Levy maintenance and repair. I also caution cities who rely on cities to beware, the money will not always be there so, curb your growth.

Here are some pending pieces of Legislative crap you can reallocate precious GENERAL FUND money for Levy maintenance and repair.

Mr. Oregon Concur...Reduce the Budget Allocations to the Housing and Community Services Department-communism doesn't pay the bills.
