

Submitter: Anne Taylor  
On Behalf Of: All LGBTQIA2S people  
Committee: House Committee On Behavioral Health and Health  
Care  
Measure: HB2458

As a Licensed Mental Health Therapist in Oregon and a member of the LGBTQIA+ communities, I am in full support of HB2458. I would like to submit my support for a complete ban of conversion therapy, conversion “therapy” is not therapy, and it is not healthcare. Please make the life affirming choice and support a ban of this dehumanize practice.

Please support the passage of HB 2458

Thank you,
