

I am NEUTRAL on [SB 812].

[SB 812 (2023)]-" Allows local government to prohibit takeoff and landing of unmanned aircraft systems in parks owned by local government."

[SB 812] is too vague and ambiguous.

Do Local Parks have the area to safely operate Drones? City v. County Parks, how big are they?

Local government's regulations will differ from one jurisdiction to another, creating foreseeable confusion to pilots and law enforcement.

There are many safety issues to be considered.

[SB 812] is an "incomplete" document.
