

Submitter: Danielle Dawes  
On Behalf Of:  
Committee: Senate Committee On Health Care  
Measure: SB704

Hi there, my name is Dani Dawes Cox. I am an elected PCP and district lead with Multnomah county Democrats, house district 45. I am writing in support of SB 704 which will establish a Universal Health Plan Governance Board and directs board to create a comprehensive plan for implementing Universal Health Plan. The people of Oregon voted for universal healthcare and this is a necessary step that needs to be taken in order to see it through to implementation. In addition, I have heard support for this within my community. With the housing crisis the way it is we need to make healthcare more affordable. Healthcare costs are often an unexpected expense that can easily push a family or individual into a vulnerable financial situation. Please support SB 704 and thank you for your time & support!

With gratitude,  
Dani
