On Behalf Of: the animals
Committee: House Committee On Business and Labor
Measure: HB2915

Oregon is the only state left on the west coast that still sells animals via puppy mills. We need to follow suite with the other states and enact pet store laws prohibiting the sale of puppies and kittens in pet stores. We need to end this horrific puppy Mill pipeline. We need more Humane choices. Adopt- don't shop. There are multiple rescues, and shelters filled with wonderful animals to adopt. I would also like to review to stop backyard breeders in Oregon. Please pas HB 2915, it will save numerous lives, thank you.
