

Testimony from Rose Hart for the February 13, 2023 Meeting of the Senate Committee On Health Care

If we care about the bottom line, if we care about the health of Oregonians, if we care about the economic and vibrant health of Oregon and if we care about equity, we must support universal single payer health care. I urge you to honor the expert work of the Joint Task Force on Universal Health Care and establish the Universal Healthcare Plan Governance Board.
