

Submitter: Paul Anderes

On Behalf Of:

Committee: Senate Committee On Natural Resources

Measure: SB199

Chair Golden, Members of the Committee,
I am Union County Commissioner Paul Anderes.

I am opposed to SB199.

The ODFW Commission does not need this authority, when they continue to overstep their responsibilities (Coyote Contest decision).

I would suggest that changing the status of the ODFW Commission advisory would be a better concept.
