

Submitter: Katherine Rainsbury

On Behalf Of:

Committee: Senate Committee On Health Care

Measure: SB704

I support Universal Healthcare wholeheartedly.

Everyone deserves access to adequate healthcare and medication. When I was uninsured I suffered terrible depressions and extreme manias. Chunks of my life were lost to a treatable condition.

As a society we have a responsibility to care for our most vulnerable. And as a wealthy nation we can afford to.

Healthcare for All!!
