Measure: SB704

Dear Senate Committee on Health Care,

I am writing to express my strong support for the passage of a universal healthcare bill.

Only last week, I had to donate to a friend's GoFundMe campaigns so that she can get life-saving cancer treatments. We are the wealthiest nation on Earth. Our citizens should not have to beg for money to get life-saving medical treatment. A well implemented Healthcare for All would ensuring that all Oregonians have access to the medical care they need, regardless of their financial situation.

I believe that access to quality healthcare is a basic human right and that it is our responsibility as citizens to ensure that all of our fellow Oregonians are able to access the care they need to live healthy and fulfilling lives. I urge you to support the passage of a universal healthcare bill in Oregon and to work to make this a reality for all of our residents.

Thank you for your time and consideration.

Sincerely,
Dr Chong Kee Tan
