

Submitter: James VanderZanden

On Behalf Of:

Committee: Senate Committee On Health Care

Measure: SB704

As a union member and Oregonian I currently have good healthcare, but that healthcare is always at risk of being taken away. Where Oregonians like me work and who we work for should not decide whether we have good healthcare. Union members like me should not have to continue our sacrifices just to keep our healthcare. Oregon can and should do better for everyone.
