Committee: House Committee On Rules
Measure: HB2107

No on HB2107! Do not extend automatic voter registration to the Oregon Health Authority. This is a constitutional issue, an individual issue, not to be delegated to any state agency. This bill tramples over individual voters rights as outlined by our USA constitution. Personally, I do not think it wise for a state agency to have any authority over a person's registration to vote or not. Thank you.
